DISCOVERY PUMP

Diesel Flood Pump Series
DI-8 | DI-10 | DI-12 | DI-14 | DI-16

SELF PRIMING PUMP WITH AUTOMATIC VACUUM

DISCOVERY PUMP

VACUUM ASSIST SELF PRIMING SYSTEM

Vacuum assist self priming system is designed to provide automatic priming for the pump.

Why Do It Simple

Simple design for easy operation and maintenance.

Discovery Pump Advantage

Discovery Pump is designed to provide automatic priming for the pump.

Capable of Delivering up to 7,000 GPM

Capacity: 7,000 GPM
Head: 150 Feet

Automatic priming for the pump

Vacuum assist self priming system is designed to provide automatic priming for the pump.

Rugged Construction

Rugged construction for long life and reliability.

Multi-Terrain structural frames and Trailer Options Available

- Skid Mounted
- Trailer 2-Wheel
- Trailer 4-Wheel
- Trailer Tandem Axle
- Trailer Tandem Axle Dual Wheels

DISCOVERY PUMP

Engineered for Field Mobility

Skid Mounted

Trailer 2-Wheel

Trailer 4-Wheel

DISCOVERY PUMP

DHP-D 4-80-20-1800
DHP-D 4-80-20-1800

Model
Size
Speed
Impeller

Features and Benefits

- Heavy duty cast iron construction
- Self priming capability
- Automatic vacuum priming system
- Mechanical seal
- Rugged design for reliability
- Easy maintenance access

Applications

- Agricultural irrigation
- Construction dewatering
- Municipal water supply
- Industrial process
- Emergency flood control

DISCOVERY PUMP

BASE AND TWIN CHASSIS CONFIGURATION

OPTIONAL PACKAGE

- Electric Start
- Battery Charger
- Weather Proof Canopy
- Sound Proof Canopy

2 WHEEL TRAILER TYPE CHASSIS CONFIGURATION

- Diesel Engine Driven
- Self Priming Centrifugal Pump
- Automatic Priming System
- Mechanical Seal
- Rugged Design for Reliability
- Easy Maintenance Access

OPTIONAL PACKAGE

- Electric Start
- Battery Charger
- Weather Proof Canopy
- Sound Proof Canopy

4 WHEEL TRAILER TYPE CHASSIS CONFIGURATION

- Diesel Engine Driven
- Self Priming Centrifugal Pump
- Automatic Priming System
- Mechanical Seal
- Rugged Design for Reliability
- Easy Maintenance Access

OPTIONAL PACKAGE

- Electric Start
- Battery Charger
- Weather Proof Canopy
- Sound Proof Canopy

4 WHEEL TRAILER TYPE CHASSIS CONFIGURATION

- Diesel Engine Driven
- Self Priming Centrifugal Pump
- Automatic Priming System
- Mechanical Seal
- Rugged Design for Reliability
- Easy Maintenance Access

OPTIONAL PACKAGE

- Electric Start
- Battery Charger
- Weather Proof Canopy
- Sound Proof Canopy
